

PUBLIC NOTICE

In accordance with New Jersey Department of Environmental Protection Administrative Order 2021-25, Competitive Power Ventures, Inc. (“CPV”) will hold a public information session for the purpose of receiving oral and/or written comments on its proposal to construct the Keasbey Energy Center, located in Woodbridge Township. CPV has applied for a modification to the Title V Permit (Permit Application Number: BOP 160004 / Program Interest Number: 18940), a NJPDES construction permit, and plans to apply for a waterfront development permit. The session will be held via virtual attendance/Teams on **2/28/2022**, from 6:00 PM EST to 8:00 PM via Teams. Please send an email to skjellberg@cpv.com to register for the event and receive your link.

CPV will also receive and consider written comments for 60 days. The written comment period will start on 1/27/2022 and will end at 5:00 pm on 3/31/2022. Comments should be submitted via email to skjellberg@cpv.com or via the United States Postal Service to Scott Kjellberg, Competitive Power Ventures, 50 Braintree Hill Office Park #300, Braintree, MA 02184. CPV will respond to all timely-submitted comments.

The proposed Keasbey Energy Center is a proposed 657- megawatt combined-cycle natural gas electric generating facility, located on a brownfield site and is a reuse of a long abandoned chemical plant in the Keasbey section of Woodbridge, NJ. The project is adjacent to CPV’s existing Woodbridge Energy Center. Interested parties are encouraged to review the draft Title V Air Permit Application, which can be accessed on-line at [<https://cpv.com/category/press-releases/>]. Printed copies of the Title V Air Permit Application are currently available at the following location:

Woodbridge Municipal Building
1 Main Street
Woodbridge, NJ 07095

Printed copies are also available upon written or electronic request from:

Scott Kjellberg, Director, External Affairs
Competitive Power Ventures
