Furthermore, the Agency agrees to support any applications for Governmental Approvals that are consistent with the terms of the Redevelopment Plan and this Agreement, and to execute and deliver any documents required to obtain such approvals and otherwise to cooperate with the Redeveloper with respect to the Governmental Approvals; provided that nothing contained in this Section 3.02(a) shall be deemed: (i) to constitute an approval of all or any portion of the Project for which Governmental Applications have been submitted or are required or (ii) a waiver of the ability of the Planning Board, or any other Governmental Body, to exercise its statutorily authorized responsibilities with respect to the Governmental Applications or Governmental Approvals. Without limiting the generality of the foregoing, the Agency shall (A) request that the Planning Board and all

other agencies of the Township having jurisdiction over any of the Governmental Approvals expedite the processing of all Governmental applications for Governmental Approvals, (B) schedule, convene and conclude all required public hearings of the Agency in an expeditious manner consistent with Applicable Laws, and (C) cause all of the planners, engineers and other consultants engaged by the Agency to review and comment on all submittals by Redeveloper in an expeditious manner and request that all planners, engineers and other consultants engaged by the Township or any of its agencies review and comment on all submittals by Redeveloper in an expeditious manner.

(b) The Agency shall undertake and complete, with due diligence, all of its obligations under this Agreement.

(c) The Agency shall not amend or cause the amendment of the Redevelopment Plan, with respect to the Property, without the prior written consent of the Redeveloper; provided, however that, upon not less than sixty days prior notice to the Redeveloper, the Agency may amend, or cause the amendment of the Redevelopment Plan, in a manner that has no adverse impact on the Project.

(d) The Agency shall not exercise its power of eminent domain to condemn the Property during the Term.

SECTION 3.03 **Declaration of Covenants and Restrictions.** The Redeveloper shall execute and record the Declaration promptly upon Redeveloper's acquisition of the Property, which is anticipated to occur on the Financial Closing Date, and will in no event occur later than the Financial Closing Date. The Declaration shall impose the Redeveloper's covenants on the Property, together with such other matters indicated in this Agreement as to be included in the Declaration, and the provisions hereof relating to Transfers, all as may be limited by the rights of a Mortgagee granted hereunder.

SECTION 3.04 **Effect and Duration of Covenants.** It is intended and agreed, and the Declaration shall expressly provide, that the covenants and restrictions contained in this Agreement, including this Article 3 and in Article 6, shall be binding, to the fullest extent permitted by law and equity, for the benefit and in favor of, and enforceable by, the Agency, its successors and assigns, against the Redeveloper, its successors and assigns and every successor in interest therein, and any party in possession or occupancy of the Property and the Improvements or any part thereof, provided, however, that this Agreement shall not be binding on any Mortgagee except in accordance with the terms of Article 10 hereof. Furthermore, such agreements and covenants shall be binding on the Redeveloper itself, each successor in interest to the Redeveloper and each party in possession or occupancy, respectively (except for any Mortgagee as provided in the previous sentence), only for such period as the Redeveloper or such successor or party shall be in possession or occupancy of the Property and the Improvements thereon, or any part thereof.

SECTION 3.05 **Enforcement by the Agency.** (a) In amplification, and not in restriction, of the provisions of this Article 3, it is intended and agreed that the Agency and its successors and assigns shall be deemed beneficiaries of the terms and covenants set forth in this

Agreement, both for and in its own right but also for the purposes of protecting the interests of the community and other public parties in whose favor or for whose benefit such agreements and covenants have been provided. Such agreements and covenants shall (and the Declaration shall so state) run in favor of the Agency for the entire period during which such agreements and covenants shall be in force and effect, without regard to whether the Agency has at any time been, remains, or is an owner of any land or interest therein. The Agency shall have the right, in the event of any material breach of any such agreement or covenant beyond any applicable notice and cure period, to exercise all the rights and remedies and to maintain any actions or suits at law or in equity or other lawful proceedings to enforce the curing of such breach of agreement or covenant, to which it or any other beneficiaries of such agreement or covenant may be entitled.

(b) The covenants and restrictions contained in this Article 3 and in Section 6.03 and Article 9 shall run with the land and be referenced in any deeds, leases, or other documents of conveyance for the Property, but shall cease and terminate upon issuance of a Certificate of Completion for the Project.

(c) Upon redevelopment of the Property and Completion of the Project, the conditions that were found and determined to exist at the time the Redevelopment Area was determined to be in need of redevelopment shall be deemed to no longer exist with respect to the Property and the conditions and requirements of *N.J.S.A. 40A:12A-9* shall be deemed to have been satisfied with respect to the Property.

ARTICLE 4 THE PROJECT

SECTION 4.01 **Description of the Project.** (a) Subject to the terms of this Agreement, the Redeveloper agrees, at its sole cost and expense, to implement and complete the Project, which shall consist of the following: (i) Subject to EPEC's obligation to remediate the Property pursuant to Article 6 hereof, procurement of all applicable Governmental Approvals; (ii) financing, design, construction and completion of the Facility; and (iii) payment of the Agency Costs in accordance with the terms of this Agreement.

(b) The Project shall be implemented consistent with this Agreement, the Redevelopment Plan, Governmental Approvals and Applicable Laws.

(c) The Redeveloper has been designated as the exclusive redeveloper of the Property and shall have the exclusive right and obligation to redevelop the Property and implement the Project in accordance with the terms and conditions of this Agreement.

SECTION 4.02 **Term.** This Agreement shall terminate on the earlier to occur of the following: (a) the tenth (10th) anniversary of the Effective Date subject to (i) any extension by reason of a Force Majeure event in accordance with Section 4.07 or (ii) any extension granted by the Agency in its reasonable discretion pursuant the terms of this Agreement upon a request of the Redeveloper; (b) issuance of a Certificate of Completion for the Project, or (c) upon such earlier date that this Agreement may be terminated as provided herein, including, without

limitation any termination by the Redeveloper pursuant to Section 4.05(b), Section 10.01(a), Section 10.01(b), or pursuant to Applicable Law (the "Termination Date"). Upon termination of this Agreement, except as expressly set forth herein to the contrary, this Agreement (including, without limitation, all the covenants contained herein) shall be of no further force and effect and the Parties hereto shall have no further rights, liabilities and/or obligations hereunder, provided, however, that the Redeveloper shall pay to the Agency any Agency Costs that have accrued up to the Termination Date regardless of whether there are sufficient funds in the Escrow. This obligation to pay for Agency Costs shall survive termination of this Agreement.

SECTION 4.03 Submission of Plans. (a) Prior to the submission of an application for preliminary site plan approval to the Planning Board, the Redeveloper shall submit to the Agency, for its review and written approval, a preliminary site plan, and, if necessary, a preliminary subdivision plan, for the Project, which shall be prepared by a licensed architect, surveyor and/or engineer of the State of New Jersey (collectively, the "Plans"). The Agency shall review the Plans solely to determine whether the Plans conform with the Redevelopment Plan, the Act and this Agreement. Within thirty (30) days after receiving the Plans, the Agency shall either (i) approve the Plans (i.e., confirm that the Plans are in conformance with the Redevelopment Plan, the Act and this Agreement), or (ii) issue a written notice to the Redeveloper detailing any changes or modifications to the Plans that are required to render the Plans in conformity with the Redevelopment Plan and this Agreement. Notwithstanding anything to the contrary above, in the event that the Agency shall fail to notify the Redeveloper of any required changes within thirty (30) days after receiving the Plans, or revised Plans, then the Plans, or revised Plans, as the case may be, shall be deemed approved.

(b) The Redeveloper hereby acknowledges and agrees that if Redeveloper makes any material changes to the Plans after Agency approval of the Plans pursuant to Section 4.03(a) above, such modified Plans must be resubmitted to the Agency for review and approval in accordance with the same procedures set forth in Section 4.03(a) above.

(c) Notwithstanding anything to the contrary contained herein, at Redeveloper's election, Redeveloper may submit to the Agency preliminary and final site plan and subdivision applications for the Project simultaneously.

SECTION 4.04 Project Schedule. (a) Subject to the terms of this Agreement, the Project shall be implemented in accordance with the Project Schedule. The Parties agree and acknowledge that adherence to the Project Schedule is of the essence, subject to the provisions of this Agreement, including, without limitation, Section 4.07. The Redeveloper shall use commercially reasonable efforts to start site work and Commence Construction no later than the dates set forth in the Project Schedule, subject, however, to obtaining Governmental Approvals, and subject to any delay related to EPEC's obligation to perform environmental remediation pursuant to Article 6 hereof. Nothing herein shall be construed to prohibit Redeveloper from undertaking site work and Commencing Construction, at Redeveloper's option, prior to the dates set forth in the Project Schedule, subject to obtaining all required Governmental Approvals.

(b) Subject to the provisions of this Agreement, including, without limitation, Section 4.07, the Redeveloper shall use commercially reasonable efforts to Complete the Project no later than the Outside Completion Date.

(c) The Redeveloper shall apply to the appropriate Governmental Body for a Certificate of Occupancy for any portion or portions of the Facility requiring a Certificate of Occupancy.

(d) If, subject to the provisions of this Agreement, including, without limitation, Section 4.07, the Redeveloper fails, or determines that it will fail, to meet any relevant date for the completion of a task set forth in the Project Schedule, for any reason, the Redeveloper shall promptly provide notice to the Agency stating: (i) the reason for the failure or anticipated failure, (ii) the Redeveloper's proposed method for correcting such failure, (iii) the Redeveloper's proposal for revising the Project Schedule and (iv) the method or methods by which the Redeveloper proposes to achieve subsequent tasks by the relevant dates set forth in the revised Project Schedule. In such event the Project Schedule shall be modified accordingly, subject to the Agency's consent, which shall not be unreasonably withheld, conditioned or delayed.

(e) The Agency shall, within thirty (30) days after the Completion Date, and receipt of a written request from the Redeveloper, issue a Certificate of Completion, provided there is not then an existing Redeveloper Event of Default. The Certificate of Completion shall constitute a recordable, conclusive determination of the satisfaction (in accordance with the terms of this Agreement, the Redevelopment Plan and Applicable Law) and termination of this Agreement, and of all of Redeveloper's agreements and covenants in this Agreement.

(f) Upon the issuance and recording of the Certificate of Completion, (i) the conditions determined to exist at the time the Property was determined to be an area in need of redevelopment shall be deemed to no longer exist with respect to the Property, and (ii) the Property shall no longer be subject to (A) any covenant herein running with the land, and (B) eminent domain for purposes of redevelopment as a result of those determinations.

SECTION 4.05 Governmental Approvals. (a) Subject to EPEC's obligation to remediate the Property pursuant to Article 6 hereof, the Redeveloper shall be responsible for obtaining, at its sole cost and expense, all Governmental Approvals required to construct the Facility. Commencing not later than the Approvals Start Date, the Redeveloper shall, diligently and in good faith, use commercially reasonable efforts to obtain the Governmental Approvals for the Facility, subject to EPEC's obligation to remediate the Property pursuant to Article 6 hereof. The Parties agree to cooperate with one another and sign such consents, documents and agreements as may be reasonably required in connection with the Governmental Approvals; provided that the Agency assumes no responsibility, implied or otherwise, for such Governmental Approvals. Attached hereto as Exhibit F is a list of anticipated material Governmental Approvals necessary for the Redeveloper to complete the Project. The Redeveloper shall provide the Agency with copies of all Governmental Approvals and shall keep the Agency reasonably apprised of the status of the application for all Governmental Approvals. Nothing herein shall be construed to prohibit Redeveloper from pursuing any Governmental Approvals prior to the Approvals Start Date, at Redeveloper's option.

(b) In the event that all necessary Governmental Approvals for the Project are not obtained from the required Governmental Bodies prior to the Financial Closing Date (as set forth in the Project Schedule) on terms and conditions acceptable to Redeveloper in its sole discretion, or if Redeveloper determines that the Governmental Approvals for the Project cannot be obtained on terms and conditions acceptable to Redeveloper in its sole discretion, then Redeveloper shall have the right to terminate this Agreement upon written notice to the Agency. No Governmental Approval shall be deemed to have been obtained (i) until the Appeal Period relating thereto has expired and no appeal has been taken, or (ii) if an appeal is filed within the applicable Appeal Period, until such appeal shall have been finally resolved in a manner sustaining the challenged Governmental Approval. If this Agreement is terminated pursuant to the terms of this Section 4.05(b) then except as expressly set forth herein to the contrary, this Agreement (including, without limitation, all the covenants contained herein) shall be of no further force and effect and the Parties hereto shall have no further rights, liabilities and/or obligations hereunder.

SECTION 4.06 Project Oversight. (a) The Redeveloper shall submit to the Agency periodic written progress reports in the form attached hereto as **Exhibit G** which shall include a description of activities completed, the activities to be undertaken prior to the next Progress Report, the status of all Governmental Approvals, an explanation of each activity, if any, which is showing delay, a description of problem areas, current and anticipated delaying factors and their estimated impact on performance of other activities and the Project Schedule, an explanation of corrective action taken or proposed and such other information as may be reasonably requested by the Agency, provided, however, that nothing herein shall require the Redeveloper to submit proprietary information or documentation that the Redeveloper, in its reasonable discretion, deems to be confidential (collectively, the "Progress Report"). Notwithstanding anything to the contrary contained herein, if the Redeveloper withholds any information or documentation from the Agency on the basis of its proprietary nature, the Redeveloper shall, without disclosing any proprietary and confidential information, provide to the Agency a written explanation of what information the Redeveloper is withholding and why such information and documentation is being withheld.

(b) The Agency reserves the right to enter upon the Property, upon reasonable notice to the Redeveloper and during business hours, to visually inspect the site for informational purposes, subject to the Agency's acknowledgment that the Property will be an active construction site and the Redeveloper shall not be liable or responsible to the Agency, its employees, agents or invitees for damages arising from injury to person or property sustained in connection with such inspections. In no event shall the Agency's inspection of the Project under this Section 4.06(b) be deemed acceptance of the work or deemed to waive any right the Agency has under this Agreement. Permit officials shall be permitted to enter the Property on reasonable notice to Redeveloper during business hours.

SECTION 4.07 Tolling. The Redeveloper shall use commercially reasonable efforts to adhere to the Project Schedule and the provisions set forth in this Article 4; provided that such obligations shall be extended on a day-for-day basis for each day that the Redeveloper's performance hereunder is delayed by (a) the occurrence of an event of Force

Majeure or (b) an extension of the Completion Date, or the date for completion of any task on the Project Schedule, with respect to any portion of the Project, granted by the Agency, in its reasonable discretion. If a delay only affects a portion of the Project, the extension granted hereunder shall only apply to the obligations so affected and the Redeveloper shall continue to perform its obligations with respect to the balance of the Project.

SECTION 4.08 Prohibition Against Suspension, Discontinuance or Termination. The Redeveloper shall not suspend or discontinue its performance of its obligations under this Agreement or terminate this Agreement (other than in the manner provided for herein) for any reason except to the extent permitted by this Agreement, including, without limitation, Sections 4.04, 4.05(b), 4.07, 5.02(f), 9.01(a) and 9.01(b), and only to the extent and for the period of time permitted by this Agreement.

SECTION 4.09 Cooperation. The Parties shall fully cooperate with each other as necessary and desirable to accomplish the Project, including entering into additional agreements that may be required; provided, however, that such actions shall not result in a material increase in the Agency's and Redeveloper's respective liabilities and obligations hereunder or material decrease in the Agency's and Redeveloper's respective rights hereunder.

SECTION 4.10 Construction Covenants. (a) The Redeveloper shall be fully and solely responsible for its compliance in all respects whatsoever with all Applicable Laws.

(b) All construction shall be performed strictly in accordance with all Applicable Laws. The Project shall be constructed solely in accordance with all Governmental Approvals, the Redevelopment Plan and all Applicable Laws.

ARTICLE 5 ACQUISITION OF EASEMENTS

SECTION 5.01 Redeveloper's Acquisition Responsibilities. Redeveloper shall identify any Easement Parcels to the Agency at the time that Redeveloper submits its application for preliminary site plan approval for the Facility, and thereafter shall promptly notify the Agency of any additional Easement Parcels as they become known to Redeveloper. The Redeveloper shall, at its sole cost and expense, use commercially reasonable efforts through good faith negotiations to execute agreements with the property owners of the Easement Parcels to obtain all Easements. Upon execution of any agreements for the Easements, the Redeveloper shall provide the Agency with written proof of the existence of such Easements.

SECTION 5.02 Condemnation of Easements.

(a) In the event the Redeveloper is unable to obtain any Easement through good faith negotiations, the Redeveloper shall have the right to submit an Acquisition Notification to the Agency requesting that the Agency exercise its power of condemnation with respect to such Easement(s) in accordance with this Agreement, the Act and the Eminent Domain Law. The Redeveloper's Acquisition Notification shall request that the Agency acquire the subject

Easement through negotiation and contract as required pursuant to Section 6 of the Eminent Domain Law. An "Acquisition Notification" shall include copies of (i) evidence supporting the Redeveloper's good faith negotiations; (ii) title work; (iii) a certification of the Redeveloper that it is not aware of any Redeveloper Event of Default; and (iv) surveys or plans with respect to the Easement(s) specified in the Acquisition Notification. The Redeveloper shall pay all Acquisition Costs regardless of whether (1) the Agency's actions pursuant to this Article 5 result in the successful acquisition of any Easement, (2) the Redeveloper issues a Revocation Notification pursuant to Section 5.02(c), or (3) this Agreement is terminated for any reason prior to the successful acquisition of any Easement. Redeveloper's obligation to pay Acquisition Costs incurred prior to any termination of this Agreement shall survive such termination.

(b) Upon receipt of an Acquisition Notification and the required documentation, the Agency shall proceed diligently and in good faith to commence condemnation and prosecute proceedings in accordance with the Act and the Eminent Domain Law; provided that (i) the Redeveloper is in compliance with the Project Schedule, (ii) there is no existing uncured Redeveloper Event of Default and (iii) the Redeveloper has provided the Agency with the Eminent Domain Deposit of funds sufficient to pay the Acquisition Costs. If the Redeveloper fails to meet any of the above requirements, the Agency may, in its sole discretion, determine not to proceed with the acquisition of the Easements pursuant to this Section 5.02. Notwithstanding anything to the contrary contained herein, it shall not be an Agency Event of Default if the agency fails to successfully obtain any Easements pursuant to its power of eminent domain after the Redeveloper's issuance of an Acquisition Notification, but it shall be an Agency Event of Default if the Agency fails to proceed diligently and in good faith to commence and prosecute condemnation proceedings in accordance with and subject to this Article 5 and any notice and cure period expressly set forth in this Agreement.

(c) The Redeveloper shall have the right, at any time, upon written notice to the Agency, to revoke any Acquisition Notification (a "Revocation Notification"). Upon receipt of a Revocation Notification, the Agency shall immediately cease all attempts to obtain the Easements through negotiation and contract and abandon any action commenced pursuant to the Eminent Domain Law in accordance with Sections 35 and 36 of the Eminent Domain Law.

(d) In connection with the acquisition of any Easements pursuant to this Section 5.02, the Agency agrees to provide regular updates to the Redeveloper of the status of its efforts to procure the Easement. Further, the Agency shall provide written notice to the Redeveloper of the execution of any agreement securing an Easement or the successful condemnation of an Easement. The Redeveloper shall be entitled to copies of any agreements or awards relating to an acquired Easement.

(e) With respect to any eminent domain proceedings instituted by the Agency, the Redeveloper agrees that the Agency shall be entitled to appoint outside legal counsel to act as special counsel to conduct said eminent domain proceedings. In addition, the Agency shall have the right to hire real property appraisers, surveyors and such other professionals as may reasonably be required in connection with such eminent domain proceedings, the reasonable costs of which shall be deemed to be Acquisition Costs. Prior to the retention of any such professional consultant, the Agency shall consult with the Redeveloper and provide a schedule of

the estimated costs and expenses for the consultation services contemplated. The Agency agrees that it will cause any attorney retained by it to prosecute any eminent domain action in consultation with the Redeveloper and its professionals and to frequently provide the Redeveloper with status update reports on all negotiations and any eminent domain proceedings. The Redeveloper, the Agency and the Agency's special counsel shall discuss all strategies such attorney proposes, including settlement limits and strategies.

(f) If Redeveloper determines that any Easements cannot be obtained on terms and conditions acceptable to Redeveloper in its sole discretion, then Redeveloper shall have the right to terminate this Agreement upon written notice to the Agency. No Easement obtained pursuant to Eminent Domain shall be deemed to have been obtained (i) until the Appeal Period relating to the condemnation action has expired and no appeal has been taken, or (ii) if an appeal is filed within the applicable Appeal Period, until such appeal shall have been finally resolved in a manner sustaining the condemnation of the Easement. If this Agreement is terminated pursuant to the terms of this Section 5.02(f) then except as expressly set forth herein to the contrary, this Agreement (including, without limitation, all the covenants contained herein) shall be of no further force and effect and the Parties hereto shall have no further rights, liabilities and/or obligations hereunder, except as expressly survive termination of this Agreement.

SECTION 5.03 Security for Good Faith Offers and Insurance.

(a) Prior to and as a condition to making a good faith offer by the Agency pursuant to the Eminent Domain Law (the "Good Faith Offer"), with respect to any Easement, the Redeveloper shall provide to the Agency security for Acquisition Costs, as described below. Furthermore, prior to exercising any rights under the Easements, Redeveloper shall obtain such liability insurance or environmental indemnity insurance required for the Easements, as shall be reasonably approved by the Agency consistent with the terms of this Agreement.

(b) Security for Acquisition Costs. The Redeveloper shall provide to the Agency a deposit as security for Acquisition Costs in the form of immediately available funds in an amount equal to the appraised value of each Easement for which a Good Faith Offer is to be made plus the estimated amount of all other Acquisition Costs that will be required in connection with the Agency's prosecution of the condemnation action with respect to such Easements, which shall be based on documentation provided by the Agency to Redeveloper and which shall be subject to Redeveloper's reasonable approval (the "Eminent Domain Deposit"). The Agency shall make a Good Faith Offer only upon five (5) business days' prior notice to and with the consent of the Redeveloper. The Eminent Domain Deposit shall be held pursuant to escrow terms and by an escrow agent mutually agreeable to the Agency and the Redeveloper (the "Escrow Agent") in an interest-bearing account and interest accrued shall become part of the Eminent Domain Deposit. The Eminent Domain Deposit shall be made available to the Agency upon receipt of written demand therefor, for the purpose of paying the Acquisition Costs in connection with the acquisition of any Easement. *provided, however,* that Escrow Agent shall not honor said demand (unless pursuant to the order of a court of competent jurisdiction for a non-appealable award for the taking of any Easement) until at least five (5) days after it has sent a copy of such demand to Redeveloper, nor thereafter if Escrow Agent shall have received written notice of objection from Redeveloper. Should the Acquisition Costs exceed the amount of the Eminent

Domain Deposit, the Redeveloper agrees to pay the full amount of those costs within five (5) business days of the receipt of written notice from the Agency that such costs are due. Should the Agency be required to deposit funds into court or make payment to the property owner for the acquisition of any Easement, and there are not sufficient funds in the Eminent Domain Deposit to cover those costs, the Redeveloper agrees to pay the full amount of those costs to the Agency within five (5) business days of the receipt of written notice from the Agency that such costs are due, provided that the Redeveloper has been given a copy of the approved appraisal of each parcel for which the Agency requests payment and supporting documentation with respect to the amount due. The Redeveloper shall take all necessary steps and make all necessary payments to or on behalf of the Agency in a timely fashion to meet this obligation of this Agreement. Any delay by the Redeveloper in the provision of funds pursuant to this Section 5.03(b) shall toll the Agency's obligation to acquire the Easements pursuant to this Article 5.

ARTICLE 6 ENVIRONMENTAL PROVISIONS

SECTION 6.01 **Brownfield Development Area.** The Property is part of a larger tract which is part of a Brownfield Development Area designated by the New Jersey Department of Environmental Protection ("NJDEP"). The larger tract is currently owned in part by EPEC Polymers, Inc. ("EPEC") and CPV Shore Urban Renewal, LLC ("Shore") and the Redeveloper is the holder of an option to acquire the Property from Shore. EPEC is presently conducting an environmental remediation of the larger tract, including the Property, pursuant to ISRA under the oversight of NJDEP's Office of Brownfield Redevelopment (the "ISRA Case"). In connection with the ISRA Case, EPEC has remediated the Property with an Engineering Control (capping contaminated soils) and is currently remediating groundwater utilizing a pump and treat system (collectively the "Remediation Controls"). The Redeveloper and the Agency acknowledge that the Remediation Controls installed by EPEC are critical elements of the remediation of the Property.

SECTION 6.02 **Environmental Testing.** The parties acknowledge and agree that EPEC is responsible, at its sole cost and expense, for the maintenance of the Remediation Controls at the Property. To the extent the Project disturbs the Remediation Controls the Redeveloper will be fully responsible for the repair and restoration of the Remediation Controls in compliance with all Applicable Laws. Except as set forth in Section 6.03(g), the Agency shall look solely to EPEC to obtain any documentation pertaining to the environmental condition or remediation of the Property.

SECTION 6.03 **Environmental Covenants.** (a) The Redeveloper represents, warrants and covenants that (i) it shall not take any action to cause the Property to violate Environmental Laws, and (ii) it will keep the Property free of any lien imposed pursuant to any Environmental Default by the Redeveloper.

(b) The Redeveloper covenants that it will diligently deliver to the Agency copies of all Governmental Approvals, and notices of violations thereof, received by Redeveloper from

any federal, State, county or municipal entity, including without limitation the United States Environmental Protection Agency and the NJDEP.

(c) In addition to the requirements of this Section 6.03, the Redeveloper shall, at its sole cost and expense, to the extent applicable to the Redeveloper, comply with the reporting requirements of the Emergency Planning and Community Right to Know Act, 42 *U.S.C.* 11011 *et seq.* and the Toxic Catastrophe Prevention Act, *N.J.S.A.* 13:1K-19 *et seq.*

(d) The Redeveloper shall use the Property exclusively for redevelopment construction and operation of the Facility in compliance with all Environmental Laws and all other Applicable Laws.

(e) Subject to EPEC's rights, obligations and liabilities under the ISRA Case, the Redeveloper shall not use, and shall not permit any other person or entity to use, the Property to generate, treat, store or dispose of any Hazardous Substances or any solid waste or other waste or debris on the Property except: (i) where stored in appropriate containers and in quantities normally associated with the construction, installation, startup, operation, maintenance, repair, restoration or removal of the Facility, (ii) as normally and customarily used or required to be used in connection with the construction, installation, startup or operation of the Facility, or for the routine maintenance and cleaning of offices and activities necessary to support the Facility, or (iii) which is otherwise in compliance with all Applicable Laws.

(f) In all such instances where the Redeveloper is authorized or required hereunder to store or otherwise use or handle Hazardous Substances hereunder, or to generate, treat or store any Hazardous Substance or solid waste or other waste or debris on the Property, or to remediate same, the Redeveloper shall conduct such activities in compliance with all Environmental Laws and shall promptly remove all waste and other debris from the Property after it is generated in accordance with Environmental Law.

(g) The Redeveloper shall provide to the Agency prompt written notice of any releases or discharges of Hazardous Substances on the Property which occur after Redeveloper's acquisition of the Property, except with respect to any release or discharge which is being remediated by EPEC, or which is the obligation of EPEC to remediate. The Redeveloper covenants, at the Redeveloper's sole cost and expense and in accordance with all Environmental Laws, to investigate and remediate, or cause to be investigated and remediated by a responsible party, any spill, release or discharge of Hazardous Substances occurring on the Property after Redeveloper's acquisition thereof, provided, however, that Redeveloper shall not have any obligation to report, investigate or remediate any spill, release or discharge of Hazardous Substances on the Property which is being remediated by EPEC, or which is the obligation of EPEC to remediate. The Redeveloper covenants, at the Redeveloper's sole cost and expense, to fully repair and restore the Remediation Controls at the Property to the extent that the Project causes any disturbance to the same and to perform such repair and restoration in full compliance with all applicable Environmental Laws.

(h) The Redeveloper shall, at its sole cost and expense, contract with a private waste refuse removal company for the removal and disposal of any solid waste generated or introduced

by the Redeveloper as part of the Project, all in accordance with all Environmental Laws and all other Applicable Laws. The Redeveloper shall not dispose of any Hazardous Substances through the sewer system or other public facility of the Township except in accordance with all Environmental Laws and all other Applicable Laws.

(i) The Parties acknowledge and agree that no adequate remedy exists at law for a breach of this Article 6 by the Redeveloper. Accordingly, the Agency may obtain specific performance of any provision of this Article 6. This Section 6.03(i) shall not be construed to limit any remedies which the Agency otherwise may have against the Redeveloper at law or in equity for a breach of any provision of this Article 6. In addition, the Parties acknowledge and agree that the indemnification set forth in Article 7 shall apply to liabilities under this Article 6.

ARTICLE 7 INDEMNIFICATION

SECTION 7.01 **Indemnity.** In addition to the provisions of Article 6 above, the Redeveloper agrees to and shall indemnify, hold harmless and defend the Indemnified Parties at the Redeveloper's sole cost and expense from and against any and all damages (including without limitation, damages relating to any loss of life, personal injury, damage to property, both real and personal, but not consequential or punitive damages), liabilities, expenses, claims or actions by any person or entity arising from or out of any negligence or willful misconduct of the Redeveloper. Such indemnification includes, but is not limited to: (i) any negligent act or willful misconduct of, or at the direction of, the Redeveloper, its agents, servants, vendors, contractors, subcontractors or employees in, at or upon the Property; (ii) an Environmental Default; and/or (iii) an Event of Default by the Redeveloper under this Agreement; provided, however, that the Redeveloper shall not be liable nor required to indemnify the Indemnified Parties for the negligence or willful misconduct of the Agency, its elected officials, officers, agents, employees, managers, consultants, contractors or subcontractors. The provision of this Article 7 shall survive the termination of this Agreement.

ARTICLE 8 COSTS ASSOCIATED WITH THE PROJECT

SECTION 8.01 **Project Costs.** All costs of implementing and Completing the Project, including but not limited to the cost of obtaining all Governmental Approvals, the cost of Redeveloper's compliance with all Environmental Laws in accordance with Article 6 hereof, the cost of designing and constructing (including the costs of any construction observation services) the Improvements, all financing costs, all marketing and leasing costs for the Project and the Agency Costs (collectively, the "Project Costs") shall be borne by the Redeveloper. Except if otherwise specifically set forth herein, the Agency shall not be responsible for any costs associated with the Project.

SECTION 8.02

SECTION 8.02. **Payment of Agency Cost.** . Redeveloper and the Agency have previously executed a Funding Agreement by which Redeveloper agreed to provide funding to

the Agency for all out of pocket costs incurred by the Agency in connection with the Redeveloper's undertakings with respect to the Project. Such costs shall be subject to Section 1.03(j) of this Agreement (the "**Agency Costs**"). Pursuant to the Funding Agreement, Redeveloper established an escrow account in the amount of Twenty Five Thousand Dollars and 00/100 (\$25,000.00) Dollars to pay for the Agency Costs (the "**Escrow Account**"). Redeveloper and the Agency hereby agree that Redeveloper is to continue to fund the Agency Costs through the Escrow Account which shall be administered by the terms of this Redevelopment Agreement in place of the Funding Agreement, and the Funding Agreement is hereby terminated by the Parties. The Agency agrees to make reasonable efforts to indicate the categories into which such Agency Costs can be attributed.

Redeveloper represents that it will make timely payment or reimbursement to the Agency of the Agency Costs. If, when and as often as may occur that the Escrow Account is drawn down to Twelve Thousand Five Hundred Dollars (\$12,500), then Redeveloper, upon the Agency's written request, shall within ten (10) business days thereafter, provide to the Agency for deposit funds sufficient to replenish the Escrow Account to the amount of Twenty Five Thousand Dollars and 00/100 (\$25,000.00) Dollars for use in accordance with these terms, unless such time period shall be extended for good reason by the Agency in its sole discretion. Funds in the Escrow Account will be applied to the payment or reimbursement of the Agency Costs as provided in this Redevelopment Agreement. Prior to the Agency's withdrawal of funds from the Escrow for the payment of the Agency Costs, the Agency shall provide Redeveloper with invoices setting forth the costs incurred by the Agency which will be drawn down against the Escrow Account. Unless Redeveloper promptly (within fifteen (15) days of its receipt of any such copy) provides a written objection to any invoiced item as not being an Agency Cost, the Agency shall be free to withdraw funds from the Escrow for the payment of such invoiced services. Upon the issuance of the Certificate of Completion, or upon termination of this Redevelopment Agreement, except in the event of a termination caused by a default of Redeveloper, any money remaining in the Escrow Account shall be disbursed to Redeveloper, except that the Agency may retain for not more than sixty (60) days after the issuance of the Certificate of Completion or the termination date, an amount sufficient to cover unpaid expenses. The Agency shall comply with the provisions of *N.J.S.A. 40:55D-53.1* and *53.2* which govern escrow deposits including, without limitation, matters pertaining to the form of vouchers for professional services, interest, accounting, and professional charges, provided, however, that in the event of any inconsistency between the terms of this Section 8.02 and *N.J.S.A. 40:55D-53.1* and *53.2*, the terms of this Section 8.02 shall prevail.

SECTION 8.03. Administrative Fee. . In addition to the provisions of Section 8.01, 8.02 and 8.04, Redeveloper shall be responsible for a payment to the Agency to allow for administrative and operating expenses to the Agency, equal to one half of one percent (0.5%) of the estimated total project cost of the proposed Project, with the minimum fee being Ten Thousand Dollars (\$10,000.00) and the maximum fee being One Hundred Thousand Dollars (\$100,000.00) as follows: 1) Ten Thousand Dollars (\$10,000.00) paid upon execution of Funding Agreement; and 2) Ninety Thousand Dollars (\$90,000.00) upon issuance of Certificate of Occupancy for the Project.

SECTION 8.04. Affordable Housing Requirement. The Redeveloper shall pay any Affordable Housing Fees required in connection with the Project pursuant to Applicable Laws,

including, without limitation, the Non-Residential Development Fee pursuant to the Development Fee Act. If applicable, Redeveloper shall pay the entirety of any Non-Residential Development Fee pursuant to the Development Fee Act upon issuance of any Certificate of Occupancy for any portion or portions of the Facility for which a Certificate of Occupancy is required in accordance with the Development Fee Act.

ARTICLE 9 PROHIBITION AGAINST ASSIGNMENT AND TRANSFER

SECTION 9.01 **Prohibition Against Transfers.** The Redeveloper recognizes the importance of the Project to the general welfare of the community and that the identity of the Redeveloper and its qualifications are critical to the Agency in entering into this Agreement. The Parties acknowledge and agree that a change in majority ownership or control of the Redeveloper from that which is noted in **Exhibit H** attached hereto is, for practical purposes, a transfer or disposition of the Project then owned by the Redeveloper.

Except for Permitted Transfers, prior to the date when Redeveloper is entitled to a Certificate of Completion pursuant to the terms of this Agreement; the Redeveloper shall not, without the prior written consent, not to unreasonably be withheld, of the Agency: (a) effect or permit any change, directly or indirectly, in the majority ownership or control of the Redeveloper (except in the case of death or divorce of an individual(s) having or affecting such ownership or control), (b) assign or attempt to assign this Agreement or any rights herein or in the Property, or (c) sell, lease, transfer or convey the whole or any part of the Property or the Improvements (clauses a, b and c above shall collectively be referred to as a "**Transfer**").

SECTION 9.02 **Permitted Transfers.** The following Transfers are exceptions to the prohibitions of this Article 9 and the Agency's consent is deemed given hereby (the "Permitted Transfers"); **provided that** notice of same is given to the Agency as required below: (a) Mortgages, leases, and other liens and encumbrances for the purpose of financing the costs associated with, or incurred in connection with the acquisition, development, construction and operation of the Facility; (b) the Declaration; (c) utility and other development easements; (d) a lease to a tenant for the purpose of operating a permitted business of that tenant as a part of the Project under the Redevelopment Plan; (e) a Transfer to an Affiliate of the Redeveloper, including, without limitation, a qualified Urban Renewal Entity, (f) a Transfer pursuant to a foreclosure or deed in lieu of foreclosure, and any Transfer by any Mortgagee, or any Mortgagee's successor and/or assigns after foreclosure; (g) any Transfer in connection with which Redeveloper or an Affiliate of Redeveloper is contractually obligated to pursue development of the Project; (h) Transfer of equity interest in the Redeveloper for the purposes of financing the Project; and (i) any contract or agreement with respect to any of the foregoing Permitted Transfers. With respect to any of the Permitted Transfers, the Redeveloper shall provide to the Agency written notice within thirty (30) days after such Permitted Transfer, including a description of the nature of such Permitted Transfer, and the name(s) and address(es) of the transferee and any parties, individuals and/or entities comprising such Permitted Transfers.

SECTION 9.03 **Transfers Void.** Any Transfer in violation of this Article 9 shall be an Event of Default of the Redeveloper and shall be null and void *ab initio*. Such Event of

Default shall entitle the Agency to seek all remedies available under the terms hereof, and those available pursuant to law or equity, including termination of this Agreement. The Declaration shall contain a restriction against Transfers as set forth in this Article 9 and, in addition, shall provide that in the event of any attempted Transfer in violation of the restrictions in this Article 9, the Agency shall be entitled to the *ex parte* issuance of an injunction restraining such Transfer, and the award of legal fees and related expenses of the Agency in connection with any such legal action. Upon the recording of the Declaration in the Office of the Middlesex County Clerk, this provision affording such injunctive relief shall have the same force and effect as a Notice of Lis Pendens. Upon recording of the Certificate of Completion, the provisions set forth in this Article 9 shall be deemed terminated for the Property.

SECTION 9.04 **Consent to Transfer.** Notwithstanding anything to the contrary contained herein, with respect to any Transfer that requires the Agency's consent pursuant to the terms of this Article 9, the Agency shall not unreasonably withhold, condition or delay its consent to such Transfer. The Agency shall notify the Redeveloper in writing whether the Agency consents to a Transfer within thirty (30) days after Redeveloper's written request to the Agency for such consent. If the Agency does not deliver a written response to the Redeveloper's request within said thirty (30) day period, then the Agency shall be deemed to have consented to such requested Transfer. The Agency shall not withhold, condition or delay its consent to any Transfer to a transferee that has the same or greater experience and technical capability to carry out the Project as CPV Keasbey, LLC, and has the same or greater wherewithal to obtain financing for the Facility as CPV Keasbey, LLC.

ARTICLE 10

MORTGAGE FINANCING

SECTION 10.01 **Financing/PILOT.** (a) In the event that the Redeveloper is unable to obtain financing for the Project on terms and conditions acceptable to Redeveloper in its sole discretion, or if Redeveloper determines that financing for the Project cannot be obtained on terms and conditions acceptable to Redeveloper in its sole discretion, then Redeveloper shall have the right to terminate this Agreement upon written notice to the Agency.

(b) The Redeveloper shall have the right to terminate this Agreement upon written notice to the Agency if the Township and the Redeveloper have not duly executed and delivered the Financial Agreement within ninety (90) days after the Effective Date.

(c) If this Agreement is terminated pursuant to the terms of this Section 10.01 then, except as expressly set forth herein to the contrary and upon full payment of all Agency Costs accruing until the date of such termination, this Agreement (including, without limitation, all the covenants contained herein) shall be of no further force and effect and the Parties hereto shall have no further rights, liabilities and/or obligations hereunder.

SECTION 10.02 **Mortgagee Not Bound.** Notwithstanding any of the provisions of this Agreement to the contrary, and subject to the terms of this Article 10, any Mortgagee, or any

Person who obtains title to the Property as a result of foreclosure proceedings or action in lieu thereof, shall in no way be obligated by the provisions of this Agreement, including but not limited to those provisions which are or are intended to be covenants and restrictions. Nothing in this Article 10 shall, however, be deemed or construed to permit or authorize any such Mortgagee, or other Person to devote the Property, or any part thereof, to any uses, or to construct any project thereon, other than those uses provided or permitted under the Redevelopment Plan, Governmental Approvals, Applicable Laws and this Agreement.

SECTION 10.03. Completion of Project. Notwithstanding anything to the contrary contained herein, any Mortgagee, any Person who obtains title to the Property as a result of foreclosure proceedings or action in lieu thereof, and any Equity Investor shall have the right to receive an assignment of all of Redeveloper's rights under this Agreement, and undertake or continue implementing the Project, including the construction of the Improvements already begun, provided such Mortgagee, Equity Investor or other Person expressly assumes all of Redeveloper's obligations under this Agreement, by written agreement satisfactory to the Agency. Any such Mortgagee, Equity Investor or other Person who shall properly complete the Project shall be entitled to receive a Certificate of Occupancy and Certificate of Completion as set forth in Article 4 hereof.

SECTION 10.04 Notice of Default to Mortgagee and Right to Cure. Whenever the Agency shall deliver any notice or demand to the Redeveloper with respect to any breach or default by the Redeveloper under this Agreement, the Agency shall at the same time deliver to each Mortgagee and Equity Investor a copy of such notice or demand; provided that the Redeveloper has delivered to the Agency a written notice of the name and address of such Mortgagee and/or Equity Investor. Each such Mortgagee and Equity Investor shall (insofar as the rights of the Agency are concerned) have the right at its option, within ninety (90) days after the receipt of such notice, to cure or remedy, or to commence to cure or remedy, any such default and to add the cost thereof to any debt or equity which it holds. The Agency shall not seek to enforce any of its remedies under this Agreement during the period in which any such Mortgagee or Equity Investor is proceeding diligently and in good faith to cure a Redeveloper Event of Default. If possession of the Property is necessary to cure any default or breach, any Mortgagee or Equity Investor will be allowed to complete any proceedings required to obtain possession of the Property.

SECTION 10.05 Lender Requirements. If any prospective Mortgagee or Equity Investor requires modifications of the terms of this Agreement as a condition to entering into any Mortgage, or acquiring an equity stake in Redeveloper, the Agency shall reasonably cooperate with the Redeveloper in approving such modifications, at no cost to the Agency, so long as such modifications, do not materially change the rights or obligations of the Agency as set forth in this Agreement and, in the reasonable opinion of the Agency, do not materially impair the objectives and interest of the Agency or render the Completion of the Project or any portion thereof in jeopardy.

SECTION 10.06 Estoppel Certificate. Within thirty (30) days following written request therefore by the Redeveloper, or of any Mortgagee, Equity Investor, lender, purchaser, tenant or other party having an interest in the Project, the Agency shall issue a signed estoppel certificate either stating this Agreement is in full force and effect and that there is no default or

breach under this Agreement, or stating the nature of the default or breach or event, if any; and stating such other matters as may reasonably be requested. In the event the estoppel certificate discloses such a default, breach or event, it shall also state the manner in which such default, breach and/or event may be cured. No more than a reasonable number of estoppel certificates may be requested per year.

ARTICLE 11 EVENTS OF DEFAULT

SECTION 11.01 Events of Default. Any one or more of the following shall constitute an “Event of Default” hereunder, subject to the provisions of this Agreement, including, without limitation, Section 4.07:

(a) Failure of the Redeveloper or the Agency to observe and perform any material covenant, condition, representation, warranty or agreement hereunder, and continuance of such failure for a period of thirty (30) days, after receipt by the defaulting Party of written notice from the non-defaulting Party specifying the nature of such failure and requesting that such failure be remedied; provided, however, if the breach of any such covenant, condition or agreement is one which cannot be completely remedied within the thirty (30) days after such written notice has been given, it shall not be an Event of Default as long as the defaulting Party is proceeding with due diligence to remedy the same as soon as practicable but in no event later than one hundred eighty (180) days after such written notice.

(b) The Redeveloper shall materially default in or violate its obligations with respect to the construction of the Facility in accordance with this Agreement (including the Project Schedule), the Redevelopment Plan, the Governmental Approvals or Applicable Laws, including but not limited to, failure to Commence Construction or Complete Construction in accordance with the Project Schedule as may be modified pursuant to the terms of this Agreement, or abandonment or suspension of construction work (unless such suspension arises out of a delay set forth in Article 12 or is otherwise permitted in accordance with this Agreement, including, without limitation, Section 4.04), and any such default, violation, abandonment or suspension shall not be cured, ended, or remedied within ninety (90) days after written demand by the Agency to do so (provided that it shall not be an Event of Default if the Redeveloper is proceeding with due diligence to remedy the same as soon as practicable).

(c) The Project shall not be complete, as evidenced by a Certificate of Completion, on the Outside Completion Date, which date is subject to extension pursuant to the terms of Sections 4.04 and 4.07 or as otherwise provided in this Agreement.

(d) The Redeveloper, its successor or assigns shall fail to pay any real estate taxes, or any assessment on the Property, or any part thereof when due, or shall fail to make any payments required under this Agreement, and such failure shall continue for sixty (60) days after written notice by the Agency.

(e) There is, in violation of this Agreement, a Transfer of the Property as prohibited in Article 9.

SECTION 11.02 Remedies Upon Default; Termination. (a) Upon an Event of Default by the Agency which is continuing and remains uncured beyond any applicable notice and cure dates, the Redeveloper may terminate this Agreement upon not less than thirty (30) days advance written notice to the Agency, and/or take whatever action at law, or in equity, as may appear necessary or desirable to enforce the performance or observance of any rights under this Agreement, including an action for specific performance or damages.

(b) Upon an Event of Default by the Redeveloper which is continuing and remains uncured beyond applicable notice and cure dates, the Agency may terminate this Agreement, upon not less than thirty (30) days advance written notice to Redeveloper and any Mortgagee and/or Equity Investor, and/or take whatever action at law or in equity, as may appear necessary or desirable to enforce the performance or observance of any rights under this Agreement. The Agency hereby waives and releases any right it may have to seek specific performance against Redeveloper.

SECTION 11.03 Remedies Cumulative. No remedy conferred by any of the provisions of this Agreement is intended to be exclusive of any other remedy and each and every remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute or otherwise. The election of any one or more remedies shall not constitute a waiver of the right to pursue other available remedies.

SECTION 11.04 Mitigation. The Parties shall act reasonably to mitigate any damages that may be incurred as the result of an Event of Default hereunder; provided, however, that the costs of any mitigation efforts shall be at the sole cost of the defaulting Party.

ARTICLE 12 DELAYS

SECTION 12.01 Force Majeure. Performance by any Party hereunder shall not be deemed to be in default where delays or failure to perform are the result of events or conditions beyond the reasonable control of the Party relying thereon as justification for not performing an obligation or complying with any condition required of such Party under the terms of this Agreement, including without limitation, the following (“Force Majeure”):

(a) An act of God, lightning, blizzards, hurricane, tornado, earthquake, acts of public enemy, war (whether or not declared), terrorism, blockade, insurrection, riot or civil disturbance, sabotage or similar occurrence, but not including reasonably anticipated weather conditions for the geographic area of the Property, other than those set forth above (such events being required to physically affect a Party’s ability to fulfill its obligations hereunder; and the consequential effect of such events (e.g., impact on market conditions) shall not be considered a Force Majeure event);

(b) A landslide, fire, explosion, flood, release of nuclear radiation, damage to or theft of any part of the Improvements, or any casualty not created by the willful misconduct or grossly negligent act or omission of the party claiming Force Majeure;

(c) The order, judgment, action or inaction and/or determination of any Governmental Body (other than the Agency when acting in conformance with this Agreement) excepting decisions interpreting federal, State and local tax laws generally applicable to all business taxpayers; provided, however, such order, judgment, action or inaction and/or determination shall not be the result of the willful misconduct or grossly negligent action or inaction of the Party relying thereon. Neither the contesting of any such order, judgments, action or inaction and/or determination, in good faith, nor the reasonable failure to so contest, shall constitute or be construed as willful misconduct or grossly negligent action or inaction by such Party;

(d) The suspension, termination, interruption, denial, or failure of or delay in renewal or issuance of any Governmental Approval (including due to any appeal), provided, however, such suspension, termination, interruption, denial, or failure of or delay in renewal or issuance shall not be the result of the willful misconduct or grossly negligent action or inaction of the Party relying thereon. Neither the contesting of any such suspension, termination, interruption, denial or failure of renewal or issuance, in good faith, nor the reasonable failure to so contest, shall constitute or be construed as willful misconduct or grossly negligent action or inaction by such Party; or

(e) An inability to procure goods, services, or any of the Improvements for any reason not caused by the willful misconduct or grossly negligent act or omission of the party claiming Force Majeure, including, without limitation, the limited manufacturing capacity of any suppliers; a general shortage of labor, equipment, facilities, energy, materials or supplies in the open market; failure of transportation, strikes, lockouts, slowdowns or similar labor action by trade unions or any of their members, equipment manufacturers, suppliers of material and/or transporters of same; or any other economic condition that may adversely affect the Project, the Redevelopment Area or the real estate or energy markets.

Any event of Force Majeure affecting any counterparty to an agreement with either or both of the Parties hereto shall be considered an event of Force Majeure hereunder. Notice by the Party claiming such extension shall be sent to the other Party within thirty (30) calendar days of the commencement of the cause. During any Force Majeure that affects part of the Project, the Redeveloper shall continue to perform its obligations for the rest of the Project. The existence of an act of Force Majeure shall not prevent a Party from declaring the occurrence of an Event of Default by the Party relying on such Force Majeure; provided that the event that is the basis of the Event of Default is not a result of the Force Majeure.

ARTICLE 13 INSURANCE

SECTION 13.01 General Requirements. Prior to commencement of construction of the Project, the Redeveloper shall provide and maintain, or cause to be maintained, insurance for the Property in the Redevelopment Area as provided below until the Certificate of Completion has been issued with regard to the Project.

The Redeveloper shall furnish the Agency with satisfactory proof that it has obtained the insurance described below. The Redeveloper shall furnish to the Agency certificates for the following types of insurance showing the type, amount, and class of operations insured, and the effective and expiration dates of the policies. The certificates shall be submitted promptly upon execution of this Agreement and the Redeveloper shall not be entitled to exercise any rights hereunder until the certificate has been received and verified.

SECTION 13.02 Insurance Required.

(a) (i) All insurance policies required by this Article 13 shall be obtained from insurance companies licensed to conduct business in the State and rated at least A- in Best's Insurance Guide.

(ii) All insurance policies required by this Section shall be non-assessable and shall contain language to the effect that (1) the policies are primary and noncontributing with any insurance that may be carried by the Agency, (2) to the extent available, that the policies cannot be canceled or materially changed except after thirty (30) days written notice by the insurer to the Agency, and (3) the Agency shall not be liable for any premiums or assessments. The Redeveloper shall be responsible to pay any deductible amount under all insurance policies.

(b) The Redeveloper shall furnish or cause to be furnished to the Agency evidence satisfactory to the Agency of (i) Commercial General Liability Insurance having a limit of \$1,000,000 per occurrence and \$2,000,000 in the aggregate, and (ii) Umbrella Excess Liability Coverage having a limit of \$10,000,000 per occurrence and \$10,000,000 in the aggregate, insuring the Redeveloper against losses, costs, liabilities, claims, causes of action and damages for bodily injury, property damage and personal injury on the Property in the Redevelopment Area, or related to the construction thereon, including claims made by subcontractor personnel. Such insurance shall include blanket contractual liability coverage. All such policies shall be written to apply to all bodily injury, property damage, personal injury and other customary covered losses, however occasioned, occurring during the policy term, and shall be endorsed to add the Agency as an additional insured and to provide that such coverage shall be primary and that any insurance maintained by the Agency shall be excess insurance only. Such coverage shall be endorsed to waive the insurer's rights of subrogation against the Agency.

(c) The Redeveloper shall furnish or cause to be furnished to the Agency evidence satisfactory to the Agency of Builder's Risk Insurance for the benefit of the Redeveloper (subject to the interests of any lender or Mortgagee), during the term of construction, sufficient to protect

against loss or damage resulting from fire and lightning, the standard extended coverage perils, vandalism, and malicious mischief.

(d) The Redeveloper shall furnish or cause to be furnished to the Agency evidence satisfactory to the Agency of workers' compensation insurance as required by law, and an employer's liability insurance endorsement with customary limits, and shall be endorsed with a waiver of subrogation clause for the Agency.

(e) The Redeveloper shall furnish or cause to be furnished to the Agency evidence reasonably satisfactory to the Agency that any consultant with whom it has contracted for the design of the Project carries errors and omissions insurance having a limit of \$5,000,000.

ARTICLE 14 MISCELLANEOUS

SECTION 14.01 **Conflict of Interest.** No member, official or employee of the Agency shall have any direct or indirect interest in this Agreement, nor participate in any decision relating to this Agreement that is prohibited by law.

SECTION 14.02 **No Consideration For Agreement.** The Redeveloper warrants it has not paid or given, and will not pay or give, any third person any money or other consideration for obtaining this Agreement, other than normal costs of conducting business and costs of professional services such as architects, engineers, financial consultants and attorneys. The Redeveloper further warrants it has not paid, or incurred any obligation to pay, any officer or official of the Agency, any money or other consideration for or in connection with this Agreement.

SECTION 14.03 **Non-Liability of Officials and Employees of the Agency.** No member, official or employee of the Agency shall be personally liable to the Redeveloper, or any successor in interest, in the event of any default or breach by the Agency, or for any amount which may become due to the Redeveloper or its successor, or on any obligation under the terms of this Agreement.

SECTION 14.04 **Non-Liability of Officials and Employees of the Redeveloper.** No member, officer, shareholders, director, partner or employee of the Redeveloper, and no Affiliate of Redeveloper, or member, officer, shareholders, director, partner or employee of any Affiliate of the Redeveloper shall be personally liable to the Agency, or any successor in interest, in the event of any default or breach by the Redeveloper or for any amount which may become due to the Agency, or its successors, on any obligation under the terms of this Agreement.

SECTION 14.05 **Inspection of Records.**

(a) To confirm the accuracy of any Progress Report submitted to the Agency by Redeveloper in accordance with this Agreement, or upon any request by Redeveloper for an extension of time to complete any requirement or obligation set forth in this Agreement, the Agency shall have the right, upon reasonable advance notice, at reasonable times, to inspect such

records of the Redeveloper pertaining to the progress of development and construction of the Project as are relevant to confirm the reasonableness of Redeveloper's requested extension of time, or to confirm the accuracy of a Progress Report, as the case may be.

(b) Redeveloper shall have the right at all reasonable times to inspect the records of the Agency pertinent to the purposes of this Agreement.

(c) Such inspections must be performed at a time and in a manner as to not unreasonably interfere with the business operations of the party whose records are being inspected and be for a legitimate business purpose affecting the material interest of the party seeking the inspection.

(d) Nothing herein shall require Redeveloper to allow the inspection of any proprietary or financial documentation that Redeveloper, in its reasonable discretion, deems to be confidential. If the Redeveloper denies the Agency access to any documentation on the basis of its proprietary nature, the Redeveloper shall, without disclosing any proprietary and confidential information, provide to the Agency a written explanation of why Redeveloper is withholding such documentation.

(e) Nothing herein shall be deemed to limit Redeveloper's rights pursuant to the Open Public Records Act, N.J.S.A. 47:1A-1 et. seq.

SECTION 14.06 Modification of Agreement. No modification, waiver, amendment, discharge, or change of this Agreement shall be valid unless the same is in writing, duly authorized, and signed by the Parties.

SECTION 14.07 Notices and Demands. A notice, demand or other communication under this Agreement by any Party to the other shall only be sufficiently given or delivered if dispatched by United States Registered or Certified Mail, postage prepaid and return receipt requested, or delivered by overnight courier or delivered personally (and receipt acknowledged) to the Parties at their respective addresses set forth herein, or at such other address or addresses with respect to the Parties or their counsel as any party may, from time to time, designate in writing and forward to the others as provided in this SECTION 14.07.
